Note:

<sup>a</sup>Country is the country of affiliation for the authors. This does not necessarily imply that recruitment of participants occurred in this country.

<sup>b</sup>Multiple studies are reported in the manuscript. Language is only reported for the first.

<sup>c</sup>One non-native German speaker

<sup>d</sup>Participants were specifically identified as not being Spanish-speaking

<sup>e</sup>All participants were English proficient, however values were provided for English-first

<sup>f</sup>The implicit assumption would be that the remaining 98.54% of the participants speak English, however this is not specifically documented.
